

DNOW Information Packet

WHAT IS DNOW?

It is a weekend where students get to spend two nights away from their normal surrounding with friends and have fun while also learning about their own spiritual journeys and relationships with Christ. Students will hear a speaker that will speak about relevant topics and they will discuss said topics with their groups Team Leader while staying at their host homes. Students are grouped into 4 different groups (HS Boys, MS Boys, HS Girls, MS Girls). Refer to the list below to see the students host home. At Disciple Now, we will be teaching students what it means to be a disciple of Christ, let them know who God really is, show them how society's preconceived notions of God are inaccurate, and let them understand the attributes of God while seeing that they can have a relationship with Him as well. This year's theme is based around Philippians 3 and we will discover what it means for something to have worth in our lives.

HOST HOMES

The first thing every parent wants to know is where their child will be. All students will be in a host home with their respective host and Team Leaders. All homes will have a training meeting, they will be briefed with student medical needs, will be briefed on any other precautions listed in student sign-ups for Disciple-Now, and will have a co-host for extra care who will also be trained to handle the needs of all students as they reside in the homes. Host Home adults (unless they are serving as Team Leaders) will not be permitted to partake in discussion times. Only team leaders will be allowed to facilitate discussion on the topics that were discussed with the speakers and they will be responsible for keeping students together.

TEAM LEADERS

Our Team Leaders this year are Seth Thompson, Lathan Busker, Chris Hudgens, Brittney Andrews, Debbie O'Neal. These people have been selected to facilitate discussion between the students and also oversee them during group events, games, fun, mission projects, and anything else we do at DNOW.

MISSION PROJECT

Our mission Project this year is feeding the homeless in Downtown Dallas. We are partnering with a local BBQ place that has ties to our sister church FBC Lavon. We are using them to feed a homeless group in Dallas and try and show the unconditional love of Christ to those who may not have seen it before.

WHAT ELSE ARE THEY DOING?

Students will check-in at 6pm on Friday February 16th. They will eat and play a few team builders, worship, hear a speaker, be introduced to their Team Leaders and then be released to their Host Homes for discussion and sleep. We have a full day Saturday and students will be released at 12pm Sunday after church. Our church will be playing a huge tournament of broom ball on Saturday afternoon so please bring your brooms as well. HOPE TO SEE YOU ALL THERE!
