What to Bring to DNOW:

Bible- Bring a pen and notepad to accompany. You'll want to take notes.

Sleeping - Bring a sleeping bag or sheets and a pillow. Sleepwear for guys needs to be legit PJ's or basketball shorts, no skivvies allowed.

Toiletries - Bring your shampoo and Body Wash! Toothbrush, Toothpaste, and mouthwash if you use it. Deodorant is required and not optional.

Clothing - Friday wear normal Wednesday night cloths. Remember that Saturday you will be outside AND play Broomball so please dress accordingly. Sunday we will wear our DNOW shirts and Jeans. One jacket or a hoodie is preferable seeing as we will most likely be outside once or twice. LADIES modesty is required. If something you are wearing is not modest we will ask you to change into something that is or provide you with something that will cover you. Think before you wear.

Snacks - Snacks are great. Your hosts will have some, but if you want extra, bring your favorites and possibly some to share as well. Be friendly!

NO PHONES or electronic devices. We are disconnecting from the world by issuing a "No Devices Challenge". If you do bring your phone we will put it in a safe basket so that you can get it at the end of the weekend. The reason we do this is so you can connect with everyone. Make friends on the other side of the screen!!

Guidelines:

1. **REPRESENT-** You are representing our church and Christ so please be on your best behavior at these events.
2. **PARTICIPATE-** As an attendee, you'll need to participate in all events. Please be sure you have good sportsmanship as well even though many of you get competitive.
3. **YOU ARE HERE-** Once you are here, you are here. This is an event you'll have to stay at since you're in our care. You cannot leave your host home unless it has been arranged with me and I have talked to parents or received a note from them that you are leaving for a time.
4. **NO PHONES-** The reason why is because we want you all to disconnect from the world and connect with everyone around you and engage in this weekend. Be responsive to God and listen because everything has purpose and God has you here for a reason.
5. **RESPECTFUL-** Please be respectful to your host homes property. Think before you make a decision and please respond respectfully to their requests.
